Personal Info.

We would like to thank everyone for the support we received these past few days! Our biggest challenge begins tomorrow! We are NOT backing down! We will stand our ground for our FREEDOM! The convoy in Ottawa has inspired us and so many others! This is us standing against the grain with them! We need as much support as possible tomorrow! We hope in doing this that other businesses will have the courage to do the same! ❤️❤️

AHS notified us that they would be doing a "follow up" inspection tomorrow at 10am.

We are located at 4942 46 st in downtown Red deer across from the fire hall!

If you choose to come down and see us, support us, or fill your caffeine tank, please be courteous and kind. Be graceful. The Firehall is right across the street, so make sure not to block their spaces for emergencies.

We appreciate every single kind message we have received. Every follow, every customer, every prayer and every share!

We never want to offend anyone. This is never our intention. We support everyone's right to their beliefs and choices. But we will not support segregation! We will always treat every customer the same. With respect and kindness... the CANADIAN WAY! 🇨🇦

THANK YOU!

SHOW UP FOR COUTTS!

Other items such as milk, cheese, syrup, shower/toiletry supplies, etc. would be greatly appreciated. The time to stand is now. We want ALL of the restrictions and mandates lifted and a return to normalcy.

The blockade to Coutts may be lifted tomorrow, if not people will park by it and wait.

The ultimate goal is to get people to the convoy, but we can only do so much. At best we need to be sure to support from this side of the fence and show these blockades we are here to support.

END ALL MANDATES!

>>

We are currently on the road and will likely be in Milk River late Wednesday.

SHOW UP FOR COUTTS!

February 1, 2, 3 / for as long as they are there

Meeting place: Milk River, AB 12NOON

What to bring: supplies such as food, toilet paper, beverages, diesel, gas, jerry cans, propane etc.

A Coutts local will be meeting the support group, in Milk River, to gather these supplies and bring them to the border

The group from Milk River will follow her in a convoy to the blockade where we will peacefully and safely line up on the side of the road and park at the blockade
